BMCSORT
Version 2.4.01
March 25, 2014
Tracking number QM001815946: Some BMC products for IBM DB2 will terminate beginning July 1, 2014 due to a BMCSORT component license that is no longer in effect

BMC is alerting users to a potential issue in the BMCSORT common component.

Issue

Some BMC products for IBM DB2 systems will terminate beginning July 1, 2014 due to a BMCSORT component license that is no longer in effect. Applying the PTF specified in this technical bulletin before July 1, 2014 enables continued use of this component.

This issue affects the currently supported releases of the following products and solutions. If your product or solution is listed and uses version 2.4.01 of BMCSORT, obtain and apply the PTF specified in this technical bulletin.

Note

Examine your product’s output to determine which version of BMCSORT is in use. The version of BMCSORT depends on when your product was installed and whether other products that use BMCSORT were installed subsequently. Products or solutions can be affected by this issue indirectly if they use a product or component that is directly affected.

- Administrative Assistant for DB2
- CHECK PLUS for DB2
- Database Administration for DB2
- Database Performance for DB2
- High-speed Apply Engine
- High Speed Utilities for DB2
Resolution

PTF BPJ0718 resolves this issue.

BMC recommends using BMC Internet Service Retrieval (ISR) to obtain PTFs. For information about ISR, see your product’s installation guide.

You can also obtain PTFs from eFix PTF Distribution Services (eFix). You can access eFix directly at http://apps.bmc.com/support/efix.cgi or from the support site.

Note
If you have questions, contact Customer Support at 1 800 537 1813 (United States or Canada) or call your local support center.

Where to get the latest product information

To view the latest BMC documents, see the Support Central website at http://www.bmc.com/support.

Notices such as flashes, technical bulletins, and release notes are available on the website. You can subscribe to proactive alerts to receive e-mail messages when
notices are issued or updated. For more information about proactive alerts, see the Support Central website.
