BMC is announcing a change in the REORG PLUS for DB2 product.

REORG PLUS now natively converts RBA or LRSN format when the following conditions exist:

- You specify RBALRSN_CONVERSION to convert to or from extended format.
- You specify SHRLEVEL CHANGE.

Prior to this enhancement, REORG PLUS invoked DSNUTILB to perform the conversion.

To enable this enhancement, apply PTFs BPU7461 and BPU7526.

**Note**
If you have questions, contact Customer Support at 1 800 537 1813 (United States or Canada) or call your local support center.

To view the latest BMC documents, see the Support Central website at [http://www.bmc.com/support](http://www.bmc.com/support). Notices such as flashes, technical bulletins, and release notes are available on the website. You can subscribe to proactive alerts to receive e-mail messages when notices are issued or updated.
