The primary Documentation Center is now available without a support login

BMC is announcing changes to the BMC Documentation Center.

Overview of changes

The BMC Documentation Center now offers open access to most content in the Documentation Center and has added a new, secured center, as follows:

- The primary BMC Documentation Center is now available without a support login.
  This center offers documentation and Quick Courses for all products except Cost Optimization products, and messages for all products.

- A new, secured Cost Optimization Documentation Center offers documentation and Quick Courses for the following products:
  - BMC Application Accelerator for IMS
  - BMC Cost Analyzer for zEnterprise (CAzE)
  - BMC Intelligent Capping for zEnterprise (iCap)
  - BMC Subsystem Optimizer for zEnterprise (Subzero)

  **Note**
  You must log in using your Support ID to access this Documentation Center.

- All messages are available in the primary Documentation Center, and you can now access them without a support login.
  Based on this change, BMC will discontinue the stand-alone Messages Documentation Center.

- The URLs for the Documentation Centers have changed:
  - BMC Documentation Center:
    http://www.bmc.com/available/documentation-center.html
Accessing the Documentation Centers

The methods for accessing the Documentation Centers have not changed:

- To access the Documentation Centers via the BMC support site, use either of the following methods:

  - Link to both Documentation Centers from docs.bmc.com.
    Click MAIN to access the BMC Mainframe Documentation page, which contains links to both Documentation Centers.

  - Link to the primary Documentation Center from the top of a product page (latest product version only) in the "Supported Product A-Z List."
    After the center launches, a link on the home page provides access to the Cost Optimization Documentation Center.

- To access the Documentation Centers directly, use one of the following URLs:

  - BMC Documentation Center:
    http://www.bmc.com/available/documentation-center.html

  - BMC Cost Optimization Documentation Center:
    http://www.bmc.com/available/documentation-center-secure.html

- To obtain a portable version of the Documentation Center, which contains both secured and unsecured content, use either of the following methods:

  - Download the image from the Electronic Product Distribution (EPD) site.
    The link for the image is listed under each product version as BMC Documentation Center - month year.

  - Order the current BMC Documentation Center CD from your sales representative.
